When the clock turns to dinner time, your options are plentiful. Try cioppino, a San Francisco original dish, at **Sotto Mare**. This family-style seafood restaurant will transport you directly to the Amalfi coast. // *522 Green St, sottomaresf.com*

Or, award-winning **Tony's** thin crust pizza is always a good and cheesy idea. // *1570 Stockton St, tonypizzanapoletana.com*

If your staycation is celebrating a special occasion, **Original Joe's** is where you want to spend your bucks. History, red leather booths, tuxedo-wearing waiters, a *Godfather*-esque atmosphere and delicious traditional Italian food is awaiting you. // *601 Union St, originaljoessf.com*
